SECURE US HONORED AT FIRST ALERT CONVENTION

November 19, 2010 – Morgantown-based security firm Secure US received awards for sales, marketing and community service, among others, at the annual First Alert Convention in Boca Raton, Florida on November 11-14, 2010.

Secure US, which also received recognition as a 10-year partner in the First Alert Program, was one of 300 national companies represented at the convention. Of the 1400 attendees, Secure US president Mitch Brozik attended the Convention, along with sales team members Matt Dulin, Cody Winters, Brienne Lanham, Amanda Peck, Sean Arthurs and Dan Williams.

During the event, President Mitch Brozik was recognized as one of the industry's most innovative sales and marketing concepts leaders. Brozik and Secure US' work with the WVU Children's Hospital earned Secure US the "Community Service Award" at the convention.

In addition to these outstanding awards, Secure US also captured an award for 2nd place in its Sales Division. Ranked annually among the Top 100 Security firms in the United States, Secure US is one of few security companies nationwide to increase sales and revenue in recent years despite a lackluster economy.

Providing top-notch security services in West Virginia, Pennsylvania, Ohio, Kentucky and Maryland, Secure US is one of the fastest growing security companies in the United States. In its many years of business the company has learned that along with a good product, a good security firm must provide its customers with peace of mind through dedicated customer service.
